Dear Parents/Caregivers

Maori Consultation

Towards the end of Term 3 we put out a survey to whanau about preferences for Maori Medium Education. The response was strong enough for us to look at putting in place a second class. So our Maori bilingual unit will expand and have two classes next year: A Yr1-3 class and a Yr4-6 class. We are looking at the unit teaching in Maori around the 30% mark and as always we will be looking for your support in helping work together to get the best learning outcomes for your child.

Athletics Postponed

Due to the weather yesterday, we have moved Yr3-Yr6 athletics to Monday 21st November. Our zone athletics are still on schedule for Thursday 24th November. Permission letters will be sent out shortly to those involved.

KIP camp 2016

Last week it was wonderful to see our Kids with Incredible Potential (KIP) graduate from their time on camp. One of the hardest and bravest things you can do is stand up in front of a crowd and speak. Our tamariki did just that and they spoke of what they had learnt

from their hearts – very impressive. Our congratulations to all our pupils involved in this programme.

South Island earthquake

Our thoughts and prayers are with the people in the quake affected areas in the South Island. Initial reports state two people have died but fortunately the quake was centred in a low population area and casualties not as severe as in the Christchurch disaster. The damage though to property, roads, and infrastructure though will be in the billions of dollars.

At the Collegiate we have emergency and disaster plans, and in the case of an emergency our first priority will always be the safety of your child and then getting you and your child back together. To help us with this we need you to keep us updated of any changes of address and telephone numbers.

Question: Have you changed your cell phone number recently and have you let us know?

Household emergency plan

In the light of this latest

earthquake disaster I have also included with the newsletter an emergency preparedness brochure from the N.Z Government. I hope you never have to use it but it is certainly better to be prepared.

Cake Stall gold coin donation: Kapa haka

In support of our Maori Kapa Haka group who are trying to buy some more traditional costumes, we will be holding a cake stall on Thursday 24 November. What a delicious way to support our Maori performance group.

Bell times: SCHOOL START & FINISH TIMES

SEHC Junior School starts at 8.45am and finishes at 2.45pm. Most of the time whanau have good arrangements bringing tamariki to school and picking up their child or having an older family member walk home with them at the end of the day. This is important. Young children and I'm thinking under 8yrs old, don't have a depth of knowledge or wisdom to cross roads by themselves or what to do if a dangerous dog jumps out, or a stranger asks them to get in a car.

Please make sure that by 2.45pm you or someone you trust is at school to pick up your child. We have staff including the famous Ms Pele Mafi in place to help children until 3pm but after that everyone should be going home. Little ones don't have a good sense of time either and if you are arriving after 3pm you are late and your little one can get upset or even worse try and go home themselves.

Gifted Kids

This Thursday (Tomorrow) pupils in our Gifted Kids programme are

undertaking a team building experience at the Vector Wero Whitewater Park. What an exciting learning experience for our tamariki.

Sistema

Just a final reminder that the end of year Sistema concert is being held on Wednesday 23rd November – 3.30pm at the Vodafone Events center. This promises to be a wonderful event with nearly 100 pupils from the Junior School taking part. My congratulations to all parents who are supporting their son or daughter in the Sistema programme.

Junior Award

The hardest working pupils this week are Christopher Uaisele from Rm4 for being exceptionally helpful around the classroom and especially amongst his peers. Also we have Sekonaia Tonga from Rm4 for going the extra mile in his learning by working really hard into achieving his goals. Well done, keep up the great work!

Upcoming events

- 21st November: Yr3-Y6 School Athletics
- 24th November: Zone Athletics at Omana Park, Papatoetoe
- 1st December: Yr5 Road Patrol Training
- 2nd December: Athletics Day – Yr1 & 2 Junior Syndicate.
- 8th December: Yr 6 Graduation
- 9th December: Lumana'i Christmas Celebration

Yours truly, John Shearer Principal
