Dear Parents/Caregivers,

Health & Safety: Road Safety

Above are some of the photos from our Travelwise Safety week. Our tamariki ran surveys on how children come to school, made up safety raps, designed road safety posters and reinforced messages like always use your seat belt in a car and for those who ride bikes that they need to wear their bike helmets. Our thanks to Ms

Shelley and her team of young student leaders for organizing this.

Power up: Tuesday homework centre

This term the Collegiate has started again it's fabulous after school homework club called Power up. It is on every Tuesday 4.15pm-6pm and is a great place for your child to get some extra support with their learning. It's free for tamariki of all ages and you are most welcome to attend the parent sessions too - which look at parenting tips. There is even a free dinner meal with dessert which our tamariki tell me is delicious! So come along and give it a try

Netball

On Friday 25th May (Next week) our netball teams are in action once again in their Otago Zone competition at the Howick and Pakuranga Netball Courts.

As you can see in the photos our teams are getting into their training and are going hard out. Should be a great competition. A letter with full details will be sent home shortly.

Playground upgrade

After a lot of planning, work has finally commenced on our Adventure playground upgrade. In the photo you can see the ground preparation is nearly finished and if the weather stays dry a new seamless fall matting surface will be put in place. The next stage after that will be a full refurbishment of all the metal poles and bars. Should look great.

Our Senior Syndicate Team in the Junior School are holding a Bake Sale to help fundraise for an EOTC experience to MOTAT. All proceeds will go towards the funding of this trip.

Reading Challenge

Currently our Collegiate Librarian Ms Lilley is running her famous Bingo challenge. The idea is your child needs to read 5 books to form a row and then they can win some fabulous prizes. Please encourage your child to join in and get in to the reading habit.

Junior Award

The hardest working pupils this week are: Monika Tupou who is a consistent top speller and also in Rm 4 and currently on Set T of her spelling list is Cecilia Schwenke. Cecilia completes all her tasks on time and takes pride in her book work presentation. Our congratulations to both these pupils.

Yours truly,
