DIGITAL TECHNOLOGY

This is a new curriculum area that will be implemented in 2020. It will be integrated with the other curriculum subjects your child is already learning like reading, writing, maths, science. This will allow students to show their learning in a creative way and makes learning so much more fun.

Over the next few weeks your child will be working in their class be creator and innovators. We will be showcasing their amazing work on 22nd May. Throughout this day you will be able to come along to school and look at what they have created. Please keep this date free for you to come in and experience how our world might be in 20 years. We will also have businesses coming in to show students possible career pathways for them when they leave schools.

WELCOME TO THE NEW SENIOR SCHOOL PRINCIPAL

As I know you are aware Dr Peter Uys resigns from his position as Principal of the Senior School. He held this position for the last 9 years. He has retired from teaching after a long time in the teaching profession.

The new principal of the senior school has arrived and is settling in very well. Students in the middle school have met her at our school assembly this afternoon. Her name is Kiri Turketo and she has taught at Epsom Girls Grammar, Mc Auley High School and Lynfield College.

ART GALLERY VISIT

There will be a few students selected to visit the Auckland Art Gallery on the 12 April to work with other students from within the collegiate. They will be preparing and designing patterns on-to tiles that have come from Sir Edmund Hillary's house. These designed tiles will be on display for Sir Ed's 100th birthday. Because we have his house at our school there will be a number of great opportunities for our community and the students of our school to take part. As the time gets closer I will let you know what will be happening.

DENTAL CLINIC

The school mobile clinic is in school at the moment and your child will be having their teeth checked over the next 2 weeks.

If you know that your child has been having any teeth problems contact our school and we will make sure they're checked.

The board meet each month in the conference room in the Main administration. The meeting starts at 5:00pm. It is an open meeting which means you are able to attend if you wish.
