BACK AT SCHOOL

It is great to have the majority of our students back to school now. We have been following the Ministry of Health Level 2 guidelines for healthy practices where we disinfect all our school tables, chairs and doorknobs around our school. Students are asked to sanitise as they enter and leave classroom spaces. We are managing a 1 metre distance while learning.

Our breakfast program is now up and running and we are including Hot food at morning tea time everyday. This is especially nice with the colder weather coming on. Whaea Liz runs this program and we are very grateful for the food that we get from Kidscan.

Our learning focus for the remainder of the school term is about Sustainability. Classes will look at different ways we can sustain a healthy planet and showcase their learning in Term 3, week 2 Tech Week Expo we will be running. Watch this space.

SAMOAN LANGUAGE

RESPECT WHANAUNGATANGA EXCELLENCE

WEEK CELEBRATIONS

A big thank you to Mrs Afoa for her beautifully tasty Keke Saiga and Ms Lemusu for the koko alaisa that all the students enjoyed at lunchtime. Samoan Language theme this year was 'TAPENA SOU ŌSO MO LAU MALAGA' Prepare yourself a gift for your travels. It urges us to prepare for the journey ahead. It highlights the need to Honour, Respect and share the gifts of our life's journey. During the week students shared the gist of the Samoan culture and heritage with our school. Thank you to Ms Asiata, Ms Lemusu and Ms Fa'amatuaiana for their planning and support over the week. Check out our Facebook page for more.

BACK AT SCHOOL REMINDERS

SCHOOL UNIFORMS

Now that the weather is getting colder your child can wear their school jersey or jacket to school. We have Kidscan jackets that we can give if they do not have a jacket. We ask that students do not wear other clothes to school.
