### REMINDER:

Middle School have a Facebook page where we post notices and information for parents to see urgently. Be sure to check it out. Classes also post clips to show their learning.

# COOK ISLAND LANGUAGE

We recently celebrated Cook Island Language Week. Students were given an opportunity to learn and enjoy the culture, Language and heritage from another Pacific Nation. Each day the whole school took part in different activity like, Ukelele, drumming, dancing, and art.

We also had a student, Amira Kiria, competed in the Cook Island speech and dance competition at Manurewa Intermediate School. Amira did very well and placed 3rd in the speech competition and 2nd in the dance competition. Her mother and uncles and aunties attended the Middle School as well and they too competed in this competition.

It is so important to always use your language at home so that it is never lost, it is a treasure handed down by our ancestors.

# WEEK CELEBRATIONS

A big thank you to Miss Leaupepe, Miss George and Daniel for making this week exciting and a great opportunity to share, learn and enjoys others culture.

The week finished with the students showcasing all they had learnt over the week at our Friday assembly and to top it off had a Cook Island donut as their Kai.

Attendance continues to be a main focus for our school as we continue to support families to get their children back to school on a more regular basis. We ask parents to help by letting us know when their child is away. They should be away from school only if they are feeling unwell. Please don't use them for babysitting younger children at home.

Week one overall attendance for the whole school was: 69.5% and in week 2 our overall attendance improved to 80% for the whole school.

Lets see if over this term we can achieve 86% whole school attendance  
Thank you whanau for your help.
