Dear Whanau/ Caregivers

2022 is our time to build on our wellbeing and to catch up on learning time lost. **Every day counts** and we need your help to do this. Attendance at school impacts hugely on a child's ability to be an adult who can read, write and be math smart in the future. Only with family support in getting school ready, can we make a difference to their future. Together we can do this.

Acting Principal Kula Peyroux

IS YOUR CHILD READY?

- Early bedtime so they are ready to think, problem solve and learn.
- Uniform set out the night before so they can dress themselves.
- Their chores and homework done, put work inside their bag.
- Sunhat, water bottle and healthy lunch ready to fuel their brain and wellbeing.
- Reminder: Friday is our 'treats' day at school so please avoid sugar in lunches till that day.
