TERM 1 Wk 4 2023
2 FRANKLYNE ROAD, OTARA
PHONE: [09 274 5782](tel:092745782) EXT 104

Nurture, Inspire, Empower!

Whakaute (Respect) - Collegiate Value

Attendance means the difference between learning to read, write, knowing basic math, and how to work with others. It means we have more opportunities in life to do what we want. To help whanau get their children to school, Anika (who works for South Auckland Attendance) will be connecting with families who need support and encouragement. Anika is of Cook Island Maori and European descent, and her second language is NZ sign language.

Whanaungatanga (Relationships) - Collegiate Value

Pay it FORWARD challenge for this week. Some of our Junior school classes have been volunteering to take care of our school vegetable and fruit gardens. It takes sun hats, sweat and muscle to pull those weeds. Learning about how to grow our own food is a life skill. Thank you once again for taking part in real world learning, and for working together to make a difference. See Class Dojo for Hat Week snapshots 🧐

Hiranga (Excellence) - Collegiate value

Some Year 5-6 students are taking part in a HIT (High Intensity Training) programme and will have the opportunity to be trained by experts. Their teachers will be learning how to run a fitness programme that builds health, within a short period of time (10-15 minutes a day). Thank you families who have signed permission for their children to take part in this study. Through fun and fitness we will improve our wellbeing, while becoming stronger and more confident.

Dates: put on your home calendar

Mondays: In-school Sistema

Tues & Wed: Swimming Year 3-6

Thursdays: Dance class Yr 1-3

Wk 5 Thur 9th to Friday 10th March
