are unstoppable!

Whakaute (Respect) - Collegiate Value

Thursday 23rd March - Goal setting Day

During Goal setting Week, teachers can do goal setting before and after school. On Goal setting Day school will **ONLY BE OPEN** for family meetings where we sit down and look at where your child is at in writing, reading and mathematics. No school lessons on this day. Working together we can support your child towards achieving their learning goals. Families as First Teachers understand and respect the important role of family.

Whanaungatanga (Relationships) - Collegiate Value

Free Parenting Group - calling all parents, grandparents and caregivers! Would you like to learn new ways to support your tamariki to learn and grow? Do you sometimes struggle with your child's behaviour? You are not alone. Kai is provided, unfortunately no childcare is available. The program targets caregivers with children between 3 to 11 years. Tuesdays 10.00-12.30 am. Register for the next round or ask questions. Call 021 0723146 or email akairua@sehc.school.nz

Hiranga (Excellence) - Collegiate value

This term our students have taken on extra classes, on top of their day to day learning. When you take on additional challenges it builds up over time your resilience and confidence when trying new things. The following activities are some of the experiences students take part in when they grow in hiranga, and come to school everyday. Kapa haka, Dance (Year 1-2), Swimming (Year 3-6), Tennis (Year 3-6), Sistema (learning an instrument), tag training for the JS team, HIT (High intensity training for Year 5-6), Self defense course for Year 3-4 girls, Cool School Mediators training etc
