Whakaute (Respect) - Collegiate Value

Vasati Vaoiva is the new Junior School Tumuaiki-Principal who will be welcomed by the Collegiate this Friday. Vasati joins us from Mangere Central School where she has been in a Deputy Principal role and has previously led the school as Acting Principal. Vasati brings over 18 years of teaching and leading experience in South Auckland. Furthermore she is an ex-student of all three origin schools, and has close connections to the Collegiate.

Whanaungatanga (Relationships) - Collegiate Value

Sir Edmund Hillary Playgroup runs Monday to Friday 9.00 to 11.30 am. This group is for whanau who want to watch their children grow and build relationships with others. Bring your 0 to 4 (little ones) and you can socialise with other parents in our community. It's your time to relax while your children learn through play. Our Playgroup also offers a Head Start program for 4 year olds which gets them school ready. For more information contact Pele on 2745782 ext 324.

Hiranga (Excellence) - Collegiate value

The Wonder Project is an Engineering NZ programme for young Kiwis in the area of Science, Technology, Engineering and Maths (STEM). NZ doesn't have enough young people pursuing careers in these fields. This program shows our Year 5-6 learners that they can do anything. Their projects will be focussed on hands-on learning that ignites curiosity. Their teams will design, build and launch water rockets. Over Term 1 and Term 2 they will strive for excellence through the design and engineering process while learning about Newton's laws.
