

AT JUNIOR SCHOOL
WE ARE SCHOOL READY!

Whakaute (Respect) - Collegiate Value

We can show respect for ourselves and others through self care. Start the day school ready, wearing jumpers, jackets and clothing suitable for the changing weather. Save hard earned money by not going to the dairy before school to fill up on junk food that only makes it harder to focus on learning. It is smarter to eat at home, or at the school breakfast club. Families please do regular hair checks to ensure that nits are not so easily spread. Our Mana nurses and KidsCan offer nit combs and shampoo. Together we can show respect for ourselves and others too.

Whanaungatanga (Relationships) - Collegiate Value

It is Bully Free Week across Aotearoa NZ. Schools and communities are learning about what we do, when we see a deliberate act of bullying. Whether it's online or offline, this week we go out of our way to send the message that it's not OK to be mean. This Friday at school, think PINK, wear something PINK, wear everything PINK, think outside the box! Or wear something PINK that's small and simple (it is your choice). The Pink movement started years ago when students picked on a boy for wearing pink, now it's a symbol that reminds us that being different is great, we don't all have to be the same.

Hiranga (Excellence) - Collegiate value

This Friday (19/5/23) the Junior team (Year 1-2) will be launching their SHOW STOPPER! Where our little ones will share poems and a waiata to show off their talents! Individuals and whole class rooms will be striving for excellence through practice and public performance. Start time for this sharing is 11.30 am in Ruma 14. Look out on Class Dojo for the photos!

Important dates:

Colour Run - Watch out for a new date.
