

### Whakaute (Respect) - Collegiate Value

Please take care and respect our bodies. Encourage your children to see the nurse in school for sore throat checks. Sore throats can lead to rheumatic fever if it's left untreated. Rheumatic fever is very serious and can cause heart damage. Every time your child has a sore throat it could be serious. Don't ignore it. If your child is given antibiotics, it's important they take them for the whole 10 days, even if they feel better, to stop the sore throat turning into rheumatic fever. Call Healthline on 0800 611 116 for 24 hour advice on where to get your child's sore throat checked for free. Thanks, Mana Nurses!

### Whanaungatanga (Relationships) - Collegiate Value

Our students will always be at the heart of what we do and why we do things. We thank you all for your partnership. We strongly believe that when whanau and school work together, we will make a positive impact on our students' journey. Let's continue to work together to help our tamariki achieve their goals. To help our school with our communication system, please contact us on (09) 2745782 if your child is going to be absent. If you have changed your contact details, please contact us also, so that we can update it on our school system. Together, Everyone Achieves More!

### Hiranga (Excellence) - Collegiate value

Often when people come together, we can make a difference, we can achieve excellence and give hope! This Friday we are supporting Daffodil day, by wearing yellow and bringing in a gold coin donation for a daffodil that helps fund Cancer research. For all that cancer takes, Daffodil day is our chance to grow hope, and create change in the lives of people impacted by cancer by funding research. So wear a yellow lei, vest, hat, shirt! Tutu! Whatever yellow colour you have, or wear our school uniform with a touch of yellow bling!

### Caught showing Hillary Heart

Congratulations to Room 16, Bernadeen for excellent spelling progress, Louama for excellent Reading results! Keep up the habit of striving for your goals!

### Drop off/Pick up Slipway Zone

The drop off/pick up slipway zone in front of Gate 2 is for drop off and pick up only. Please refrain from parking in the middle of the slipway (lane). We are also working hard to look after our environment. Please avoid parking on the grass under our big trees in front of our school. We appreciate your support and partnership!
