

Whakaute (Respect) - Collegiate Value

This Thursday and Friday the Senior school is open to the community to take part in the "Innovation From the Roots" event. There will be free workshops, panel discussions, lectures and hands on discussions. It is the coming together of Māori and Pasifika voices. This will create a powerful and positive platform for sharing knowledge. By respecting indigenous knowledge, it gives us the space to have real conversations. Type up this link and sign in for a free workshop,

Whanaungatanga (Relationships) - Collegiate Value

Thank you families for making your time available to meet with our teachers for Goal Setting to discuss your child/children's learning progress. We really appreciate you partnering with us in supporting our tamariki. Their education is very important and we know that, when we work together, we can make a difference in their learning. If you have not had the chance to meet your child/children's teacher yet, please connect with our teachers to organise a time. Malo lava!

Hiranga (Excellence) - Collegiate value

Bikes in Schools have helped many children to build confidence in riding over the years. With a focus on cycle and safety skills, our Year 5 to Year 6 students are riding through obstacles courses and parts of the Collegiate. This program delivers health and wellbeing outcomes through a fun activity and challenges students to be risk takers, under safe conditions. The habit of excellence is strengthened by taking on challenges, learning through mistakes and persisting. Bike riding is a life skill we all would benefit from!

Caught showing Hillary Heart

Congratulations to Room 11 students who show excellence! Elina outstanding in Reading, Tia Dargaville for showing kindness to others at all times! Ka pai!

Drop off/Pick up Slipway Zone

The drop off/pick up slipway zone in front of Gate 2 is for drop off and pick up only. Please refrain from parking in the middle of the slipway (lane). We are also working hard to look after our environment. Please avoid parking on the grass under our big trees in front of our school. We appreciate your support and partnership!
