

Whakaute (Respect) - Collegiate Value

Currently our Year 6 students are filling in their Wellbeing surveys, which we do every year online. Most of our students take this survey as an opportunity to share their views on how their peers, friends, school and community work together. They are asked some tricky questions, such as how safe they feel coming to school, in school and in our community. Respect for self and others is a big part of supporting our students' well being. It's important to hear the views of students, whanau and staff. Keep being kind and take care ❤️

Whanaungatanga (Relationships) - Collegiate Value

Every day your child comes to school, they gain more opportunities towards their future. Attending everyday means they can build on learning. They build friendships. They take part in activities and learn good life habits. Missing 1 day a week equals 4 days a month, this means they will lose at least 40 days a year. They will learn bad habits. Thank you to families who contact the teacher and give reasons for all absences and lateness. Whether it's a text, Class dojo message or a phone call, contacting over any concerns keeps whanau and school relationships strong. Thank you for all you do.

Hiranga (Excellence) - Collegiate value

The theme for the Tongan Language Week is, 'E tu'uloo 'a e Lea faka-Tonga 'o ka lea'aki 'i 'api, siasí (lotú), mo e nofo-'a-kāingá which means the Tongan Language will be sustainable if used at home, church and in the wider community. The theme emphasizes on the importance of using and understanding 'Lea faka-Tonga'. When you are proud of your language and can speak it, you will also be more grounded in your identity as a Tongan. Here are some of our proud Tongan students dressed in their beautiful Tongan attire.
