SORE THROATS > RHEUMATIC FEVER > HEART DAMAGE

## Whakaute (Respect) - Collegiate Value

This term please encourage your children to see the nurse in school for sore throat checks, sore throats can lead to rheumatic fever if it's left untreated. Rheumatic fever is very serious and can cause heart damage. Everytime your child has a sore throat it could be serious. Don't ignore it. Your child's sore throat check is free.

If your child is given antibiotics, it's important they take them for the whole 10 days, even if they feel better, to stop the sore throat turning into rheumatic fever. Call Healthline on **0800 611 116** for 24 hour advice.

## Whanaungatanga (Relationships) - Collegiate Value

Thank you families for joining us on our Junior School Athletics Fun day last Friday. Your presence meant a lot to us, especially to our tamariki. Thank you for making your time available to come along and support our superstars. Many thanks to all our super parents who also joined in the races too. You inspired and empowered our tamariki to take that risk, giving it a go! Ka mau te wehi! Thank you to all our tamariki for your participation and for also being brave, strong and courageous. We are so proud of you all! Special thanks to Mrs Ainoa for organising our fun event, our Senior school helpers and our Junior School staff for helping out. We appreciate you all!

## Hiranga (Excellence) - Collegiate value

Teacher Only Day - Friday 17th November 2023

This is a reminder that there will be no school this coming Friday for our Junior School and our Middle School. Our staff will be attending a professional development at Te Uho o Te Nikau School. We will be exploring Te Mataiaho - The Curriculum Refresh which will help and support us with our planning for 2024.

Thank you for understanding and for your continuous support.
